Greetings!

I'm Vanessa Sanchez, Events & Outreach Manager for WBEC ORV. Welcome to our MCC email newsletter which shares business opportunities and promotes monthly webinars and events. Our goal is to reduce the number of emails you receive. We are combining all notices from members into one weekly email sent every Friday.

Our MCC (Marketing & Communication Corner) provides information on events, business opportunities, and activities that are happening in our RPO. We will also include information on any business, technology, apps, or topics that are trending globally.
